Oriental Dragon – LEGO 31058 Set

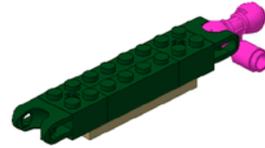

In the oriental culture, dragons do not have wings. They usually clutch some dazzling pearls, which have supernatural powers. The magical pearl enables dragons to fly, so most dragons covet it.

You can also play it with **Ninjago** sets.

關羽 雲長

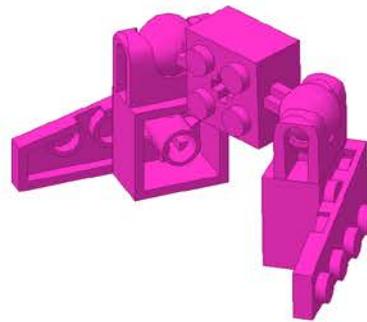

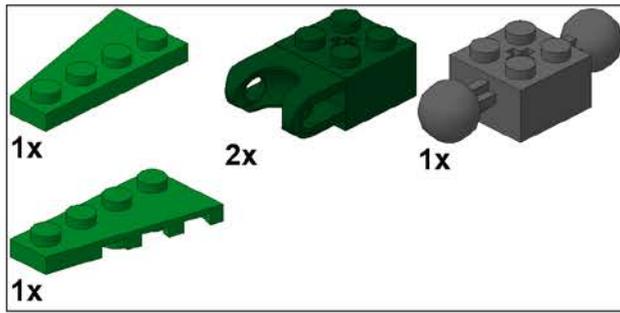

Guan Yu: The Warload - LEGO 31058 Set

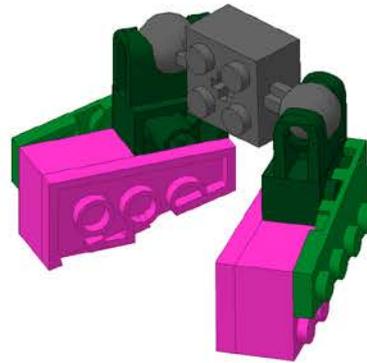

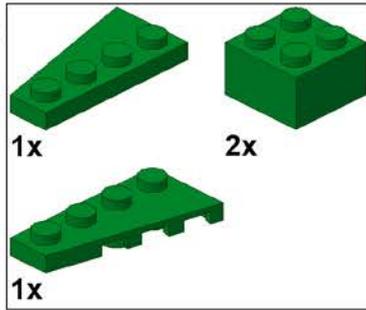

Guan Yu courtesy name **Yunchang** (關羽 雲長), was a general serving under the warlord Liu Bei in the late Eastern Han dynasty.

Guan Yu is respected as an epitome of loyalty and righteousness. As one of the best known Chinese historical figures throughout East Asia, he has largely given way to fictionalised ones, most of which are found in the 14th-century historical novel, in which his deeds and moral qualities have been lionized.
